Camp Creamery is a week-long workshop for children interested in exploring the exciting world of theatre! The camp is open to children who are at least 7 years old at camp time through those entering 8th grade this fall. They will have the unique opportunity to work and perform with three professional actors from The Old Creamery Theatre in Amana. Campers will rehearse and present a play. Registration is first come, first served (up to 40 actors) and everyone who signs up will be cast in the show. This is a great way for boys and girls to have a fun theatrical experience in the spotlight this summer!

Children must commit to attending all rehearsals and both final performances in order to participate in Camp Creamery. Costumes & makeup will be provided. T-shirts with the show logo are optional and should be purchased in advance. A minimum number of camp scholarships will be available.
